INVESTMENT CRITERIA

Multiple Platform Strategies

- \$5mm - \$100mm in EBITDA
- \$25mm - \$500mm equity commitment per platform

What we look for:

- Differentiated business model
- Strong free cash flow generation
- High barriers to entry
- Resilient end-market demand

What we offer:

- Target controlling interest but not 100%
- Ownership rollover
- Provide capital for add-ons
- Flexibility to pursue minority deals

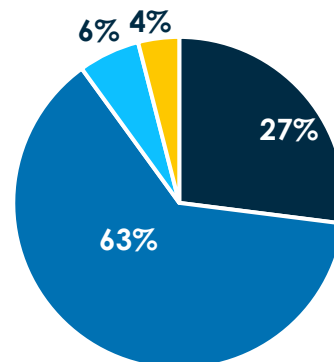

SOLUTION PROVIDER FOR FAMILIES, FOUNDERS, AND ENTREPRENEURS

We consistently research family-owned businesses to inform and improve the support we provide for families navigating critical issues such as succession planning, governance, and next-generation leadership transitions

Even though 60% of families say a succession event will happen within the next 7 years, the majority of families do not have a succession plan in place*

Is a successor chosen for the next succession event?*

- Yes
- No
- Unknown
- Other
